Workshop on Intellectual Properties in ICT and e-Infrastructures

When: 24-25 March, 2014

Where: West University of Timisoara, Room A01 (ground floor), Romania

Aim:

- ensure a transfer of knowledge and good practices on intellectual property in ICT
- enhance the awareness of e-infrastructure providers and users on aspects related to intellectual property

Expected participants:

- representatives of the HOST strategic partners,
- representatives of national organisms addressing intellectual property issues,
- representatives of ICT companies,
- national e-Infrastructure providers,
- other e-Infrastructure users
