Dear Dr. Constantin Volosencu:

Thank you for reviewing the above manuscript, entitled "System identification for a class of distributed parameter system via deterministic learning and Lagrange interpolation" for International Journal of Systems Science.

We greatly appreciate the voluntary contribution that each reviewer gives to the Journal. As a token of our appreciation, please have this voucher for a 30% discount on Taylor & Francis books: http://www.tandf.co.uk/journals/pdf/books_discount_postcard.pdf

We hope that we may continue to seek your assistance with the refereeing process for International Journal of Systems Science, and hope also to receive your own research papers that are appropriate to our aims and scope.

Sincerely,
Prof. Joachim Rudolph
Associate Editor, International Journal of Systems Science
