Dear Mircea-Bogdan Radac,

Thank you very much for your email. I am sorry I bothered you, but the previous Managing Editor did not inform me about the situation.

Thank you for all your past involvement and support for the journal.

I hope that you will remember about Paladyn any time you intend to publish your research.

Best wishes,
Agnieszka

Subject: RE: Paladyn, Journal of Behavioral Robotics/Information

Dear Mrs. Agnieszka,

Unfortunately I will not be able to fulfill my duties as an assoc. ed.
with Paladyn anymore due to time constraints issues. This I have also spoke with
the previous managing editor.
I hope that I will still be able to support the journal in the future.
I wish you all the best in managing activities with Paladyn.

Best Regards,
Mircea-Bogdan RADAC
