Dear Dr. Klemiato,

Thank you for your response and also for the invitation. I am excited about the possibility of working with a respected team such as the one in the editorial board of the "Paladyn. Journal of Behavioral Robotics".

Therefore I am happy to accept the Associate Editor position.

I understand all the conditions around the AE position. I will do my best in promoting the journal and attract manuscripts from the field of robotics and not only. I do hope that the journal will rise to its full potential in the near future.

I am available at any time for contact and for further instructions.  
Please feel free to contact me.

Best regards,  
Mircea-Bogdan
