Journal: Ad Hoc Networks

Dear Professor Curriac,

Thank you for your review for the above-referenced manuscript. I greatly appreciate the commitment of your time and expertise. Without the dedication of reviewers like you, it would be impossible to manage an efficient peer review process and maintain the high standards necessary for a successful journal.

When a final decision has been reached regarding this manuscript you will be able to view this decision, as well as reviews submitted by any other reviewers, at: http://www.evis.com/evis/faces/pages/navigation/NavController.jspx?JRNLC_ACR=ADHOC. You can also access your review comments here, at any time.

I hope that you will consider Ad Hoc Networks as a potential journal for your own publications in the future.

Kind regards,

Journal: Computer Networks

Dear Professor Curriac,

Thank you for your review for the above-referenced manuscript. I greatly appreciate the commitment of your time and expertise. Without the dedication of reviewers like you, it would be impossible to manage an efficient peer review process and maintain the high standards necessary for a successful journal.

When a final decision has been reached regarding this manuscript you will be able to view this decision, as well as reviews submitted by any other reviewers, at: http://www.eviser.com/eviser/faces/pages/navigation/NavController.jspx?JRNL_ACR=COMNET. You can also access your review comments here, at any time.

I hope that you will consider Computer Networks as a potential journal for your own publications in the future.
